M3 Ultraclave

Autoclaves are essential to the doctors office. Here at DTS we carry all and every kind of Sterilizer. With our help we can make sure your items are sterilized correctly

We base the size of your largest instrument to correctly outfit your office with the correct autoclave. Plastic Surgeons will require a larger sterilizer since their cannulae are fairly larger than your conventional medical instruments.

**Anprolene
AN74**

Cryo Chillers

Cryo 5

Cryo Mini

Cryo 6

Our Zimmer Systems are BioMedically Certified, and refurbished prior. these units are great options in your office if you perform any kind of laser treatment

**DTS Gro Chiller:
